No Maths required, good for creative students

---

##### 7. Courses with Job Guarantee/Skills

- Diploma in Medical Coding (Quick job in IT/healthcare firms)
- Clinical Research Course
- Data Entry or Health Records (with short-term certification)

---

## ✅ Step 2: Identify Interests

Ask your friend:

- Do you want to work in hospitals or labs?
- Do you like plants, nature, and farming?
- Are you interested in design, fashion, or hotels?
- Do you want a short course and fast job?

Based on answers, narrow down the path.

---

## ✅ Step 3: Best Career Paths to Settle (Top 5 Safe + Good Earning)

Career Path	Job Scope	Investment	Salary Range	Notes
B.Sc. Radiology / MLT	High demand in hospitals	Medium	₹3L–6L per year	Growing field
B.Sc. Agriculture	Govt Jobs & Agri Cos	Medium	₹4L–7L per year	Huge govt jobs
B.Sc. Nursing	Abroad + India scope	Medium-High	₹3L–10L per year	Needs hard work
B.Sc. Forensic Science	Police Dept + Labs	Medium	₹4L–8L per year	Interesting
Diploma in Medical Coding	IT+Health MNCs	Low	₹2.5L–5L per year	Fast job

---

## 💬 Final Advice

Your friend doesn't need to regret choosing BiPC. There are **many high-paying and safe careers without maths.**

✳️ If your friend is still confused, tell them:

“Pick a career not by fear (like avoiding Maths), but by what makes you feel confident and curious.”

---

## 🎯 My Suggestion Based on Trends

If your friend:

- Wants a fast job ➤ **Medical Coding** or **MLT**
- Wants govt job + growth ➤ **B.Sc. Agriculture**
- Likes caring for others ➤ **Nursing** or **Physiotherapy**

- Likes nature/science ➤ **B.Sc. Biotechnology or Forensic Science**
- Wants creative job ➤ **Hotel Mgmt / Fashion Design / Psychology**
